Subject: add'l info on SA
Attachments: Site Charging High Potential sites w staffing info.pdf

Russ,

Per your request, here's what I was able to pull together quickly. Obviously, the composition of site teams is very fluid. If we decide to go forth with charging against SA's, there will need to be significant outreach to the teams and attention paid by Unit Chiefs of the team members to ensure that people are doing what they need to in PPL+.

Bill
